

Silhouette CAMEO® 3

The Silhouette CAMEO® is the ultimate DIY machine. It uses a small blade to cut over 100 materials, including paper, cardstock, vinyl, and fabric up to 12 in. wide. The CAMEO has the ability to register and cut printed materials and is PixScan™ compatible. What does this mean for you? It is our machine that has the largest cutting space and is most versatile in the materials it can cut.

The Silhouette CAMEO® 3 has all of the same capabilities as the previous versions along with some added features. This CAMEO features a dual-carriage so you can use two tools at once, and it features Bluetooth® technology (*US, Canada, EU only.*) To top it all off, the CAMEO 3 is compatible with Silhouette's new AutoBlade.
